B. That the necessity in the public interest for the provisions and prohibitions set forth in this chapter is declared as a matter of legislative determination and public policy, and it is further declared that the provisions of this chapter are in pursuance of and for the purpose of securing and promoting the public health, comfort, safety, welfare and prosperity, and the peace and quiet of the city and its inhabitants;

C. That in many instances the problems created by such noise can best be solved by better communication between neighbors, which the city encourages, but that those problems can become sufficiently severe to warrant the impositions of the provisions and prohibitions set forth in this chapter. (Ord. 1128 § 2, 1983; 1960 code § 13B.1)

9.36.020 Loud, disturbing, unusual and unnecessary noise – Prohibited.

It is unlawful for any person to make or continue, or cause to be made or continued, any loud, disturbing, unnecessary, unusual or habitual noise, or any noise which annoys, disturbs, injures or endangers the comfort, health, repose, peace or safety of other persons within the city. (Ord. 1128 § 2, 1983; 1960 code § 13B.2)

9.36.030 Loud, disturbing, unusual and unnecessary noise – Designated.

The following noises, set out in LMC 9.36.040 through 9.36.100, among others, are hereby declared to be loud, disturbing, unnecessary, unusual or habitual noises in violation of the provisions of this chapter; provided, however, such enumeration shall not be deemed or construed as in any degree exclusive, but merely illustrative, it being the intent and purpose of the provisions of this chapter to include and prohibit all noises of the kind and character described in LMC 9.36.020. (Ord. 1128 § 2, 1983; 1960 code § 13B.3)

9.36.040 Blowers, fans and combustion engines.

The operation of any noise-creating blower, power fan or internal combustion engine, the operation of which causes noise due to the explosion of operating gases or fluids, is prohibited, unless the noise from such blower or fan is muffled

and such engine is equipped with a muffler device to deaden such noise in such a manner so as not to be plainly audible at a distance of either 75 feet from the source of the noise, or between the hours of 6:00 p.m. Saturday to 7:00 a.m. Monday; 8:00 p.m. to 7:00 a.m. on Monday, Tuesday, Wednesday and Thursdays; 8:00 p.m. Friday to 9:00 a.m. on Saturday or at all on city-observed holidays. The discharge into the open air of the exhaust of any steam engine, stationary internal-combustion engine, motorboat or motor vehicle, except through a muffler or other device which will effectively prevent loud or explosive noises therefrom in such a manner so as not to be plainly audible at the distance of either 75 feet from the source of the noise, or the property line, whichever is greater, is prohibited. (Ord. 1128 § 2, 1983; 1960 code § 13B.3(c))

9.36.060 Loading and unloading vehicles and opening crates and containers.

The creation of loud and excessive noise in connection with loading or unloading any vehicle or the opening and destruction of bales, boxes, crates and containers is prohibited. (Ord. 1128 § 2, 1983; 1960 code § 13B.3(d))

9.36.070 Noises adjacent to schools, courts, churches and hospitals.

The creation of any excessive noise on any street adjacent to any school, institution of learning, church or court while the same is in use, or adjacent to any hospital, which noise unreasonably interferes with the workings of such institution, or which disturbs or unduly annoys patients in the hospital is prohibited, provided conspicuous signs are displayed in such streets, indicating that the streets are adjacent to a school, hospital or court. (Ord. 1128 § 2, 1983; 1960 code § 13B.3(e))

9.36.080 Hammers, pile drivers, pneumatic tools and similar equipment.

B. The operation of such set, instrument, phonograph, machine or device between the hours of 11:00 p.m. and 7:00 a.m. in such manner as to be plainly audible at a distance of either 75 feet from the source of the noise, or the property line, whichever is greater, which shall be prima facie evidence of a violation of the provisions of LMC 9.36.040 through 9.36.100. (Ord. 1128 § 2, 1983; 1960 code § 13B.3(a))
