If you are assigning your proxy to someone other than the Board of Directors, you must fill out the proxy form and the second page or (you can also designate that the proxy holder may decide who to cast your votes for) enclosed in the provided envelope (marked "Proxy" in the upper left-hand corner). and give it to the person to whom you are assigning the proxy.

If you choose to vote by mail-in ballot, complete the enclosed ballot, fold it and enclose it in the envelope marked "Envelope No. 1 – Ballot". This envelope must then be placed into "Envelope No. 2" which must then be filled out and signed before mailing. Do NOT sign or otherwise identify yourself on the ballot.

We apologize for the complicated instructions, but the California Civil Code now requires all homeowner associations to conduct elections of directors in this manner.

CANDIDATE STATEMENTS 2026

CARRIE MONTGOMERY

My husband and I enjoy Livermore and this wonderful neighborhood. We have three children and thoroughly enjoy the pool and the social activities available to our family. Since we are enjoying everything Rhonewood Park has to offer, I would love to help with any activities Rhonewood has planned. I have an interest in being elected on the board so that I may help with these activities and learn more about our community.

VAIBHAV VASHISHTHA

Hello, I'm Vaibhav Vashishtha, and I live on Debra St. I am happily married and work as a Technical Product Owner for a technology company based in the San Francisco Bay Area.

Outside of work, I enjoy hiking, playing the guitar, singing, listening to music, and practicing yoga. For the past three years, I have served as the Social Chair for our community, where I have been responsible for planning and organizing summer events and movie nights. I enjoy bringing neighbors together and creating opportunities for our community to connect and have fun.

MICHAEL WOODMANSEE

I would be glad to do my best to participate in the HOA. My family and I moved to Livermore at the end of October 2022 when I took a job at Sandia Labs and we purchased the property at 829 Katrina Street that same December. We are thrilled with our house and with the neighborhood. I particularly appreciated the balance that the HOA has struck between ensuring a safe, pleasant neighborhood environment and allowing owners to make their individual contributions to our community's special character. The pool, and associated services, add significant value to living in Rhonewood Park and represent a place where residents of all ages and walks of life comes together to enjoy each other's company. I'd look forward to the opportunity as a contributing member to support the HOA's current direction and focus.
